Results from the 2015 Beat Beethoven 5Km run are online. The race was timed by SportAlaska Event Timing using the ChronoTrack chip timing system. Results were available on the web in real time during the race. To view the results online, [CLICK HERE](#) . To see detail, click on the "Results" tab, then you can choose overall, men, women or results for a specific class in a dropdown list next to the word "Division". You can view 15, 50 or 100 on a page from the "Page Size" dropdown list. The next race we will time is the Chena River Run 5Km on May 2.
